

Working with Doug and his associates proved to be a rewarding and positive experience. Right from the beginning Doug worked hard to meet my short timeline and strict requirements. Not only did he find me multiple sites to look at but he informed me on leasing details that I would have never thought about. His timeliness and follow through was reassuring and appreciated. Overall the experience saved me time, money, and from worry. I would highly recommend Doug and his team to anyone seeking out real estate services and would surely use his expertise in the future.

P.S. Thanks for everything Doug. I'll keep in touch.
